

SALT (Servant Attitude Leadership Training)

Application for 2018

S.A.L.T. is a leadership program for teens in grades 10-12. This program is designed to train the future leaders of Christian camping. Participants will complete the program by progressing through 2 weeks of training over 2 summers. The first week (SALT I) is held during Junior Week. This week focuses on counselor training. The second week (SALT II) is held during Intermediate Week. This week focuses on developing leadership skills, explores service in other camp staff positions, and provides further instruction in counseling. Entrance into the program is determined after an application, reference, and acceptance process is completed.

To apply for participation in the SALT program, please fill out the **application** below. Make sure that you list **two references** from either your **home congregation** or from the **Board of Directors of MWBC**. You only need to submit this application before participating in SALT I. With the approval of this application, you will be accepted to participate in SALT I and II, provided you successfully complete SALT I.

There is a **\$70 fee** to attend SALT I or SALT II. (Applications should be received by **May 26th** to be considered for the program. Don't forget to fill out the **regular MWBC camper application** where you will select attendance at SALT I or II.)

(Example: Midwest Bible Camp, Intermediate week, camper, 2001-2003)

Statement:

On the lines below, please tell why you want to participate in the SALT program.

***Please note:** As a SALT student you are not considered STAFF at the week you attend. You are participating in a training program and are expected to make this training a priority during the week. You should expect to attend at least 2 hours of classroom instruction each day and have assignments to complete. A major part of your training is experience based, so you will spend the majority of your time among campers and will also stay in a cabin with campers while being mentored by mature counselors.

Concerning cell phones: If you own a cell phone, you will need to turn it in to the camp secretary for secure storage in the camp safe during your week of training. We feel it is best to limit your outside distractions during this important time of preparation in the ministry of Christian camping. A break from your cell phone will allow you to give your full attention to your training and the campers you serve during the week. Thank you for your cooperation in this matter.
